Auburn Nazarene

Organized 1944

It is an honor to make my first report on behalf of the church in Auburn. This past year has been one of significant transition for this church, with the change in pastoral leadership. Nevertheless, in my five months at Auburn we have seen our average attendance increase steadily, as well as overall giving, and we are praising the Lord that we are able to report all accounts payable and denominational commitments as current.

In all of our goals and efforts, we recognize that the ministry vision that guides our thinking is the life of Christ himself. As we look forward to the new future that God has for us, we are praying that God will have his way with every member and age level of our family, and that Auburn Church of the Nazarene will be a true part of his kingdom.
