Greetings in the name of the Lord.

We want to report that last year the and the pastors went through difficult times, but in the middle of those times we see the glory of the Lord, because He keeps bringing new souls to the congregation. We received 20 new members into the church and also 5 baptisms, praise the Lord because HE IS FAITHFUL!

This year we want to establish new home group cells for the evangelism all over Auburn.

Thanks to all the WaPac ministers for your support and prayers.
