Bonney Lake Living Hope Nazarene

Organized 1936

As I report to you this year, there are many thoughts and events that come to mind. This has been a year of illness and loss in the body at Bonney Lake. In my report a year ago, I talked about the Great Cloud of Witnesses that had gone on before us; we now have a few more in that group. It has been a year of God's sustaining power! There are days in all of our lives when we are glad to have made it through to another day! That is really a spiritual victory to have made it through! The enemy would like to destroy us; he will use whatever means are at his disposal! Every victory needs to be celebrated as a gift from God. Every moment of repentance, every moment of healing, every moment of breaking the bonds of sin should be celebrated! We are moving toward reaching our goal to stand with him at the end. We then shall shout "victory in Jesus!"

I am very thankful for the folks who serve Christ at Bonney Lake! The Board of Directors, the teachers, the staff and those who call this their church home.

As we move forward, let's move out without fear but with boldness! Let's live as if today is the last day of our lives. Let's share Jesus Christ with as many people as we can! May Christ change all of us into his image. May the Holy Spirit empower us to live for Christ. May He also empower us to make Christ supreme in all of our lives. Lets all jump into the Kingdom's work!

Prayer Needs:

1. Pray for laborers
2. Pray that we would move out for God!
