So grateful to the Lord for still using Betty and me. Betty has been in the hospital, an extended stay, since December 21st.

What wonderful friends and co-laborers in Dave Jacobson, John Hayes and Les Bouck. What a loving, faithful church. We are determined to see revival here in South Everett.

Next year's goal, double! God has promised us the blessing. Praise the Lord.

Prayer Needs:

1. A building
2. More souls to be sanctified
