Blessing to all, may this year be of blessings to all my brothers and sisters in Christ. It just seems that 2007 came by so fast, and here we are making plans for a New Year, new visions and accomplishment for the Kingdom of our Lord Jesus Christ. As a new mission in 2007, we have been able to see a growth in our group. We are averaging 16 members per services, on Fridays and Sundays. We had {3} new conversions, young men who accepted the Lord as their personal Saviour. We are happy that the group is growing.

Our goal for this year is to continue reaching the lost souls in our community. We have a strong battle ahead of us. The word says Blessed is the man whose strength is in You. We trust in the Lord that He will continue to do wonderful things in our lives and in the lives we touch with the Holy Scripture. I truly believe it is the year of the Harvest. The fields are ready to be picked, brothers lets begin to work .

I ask that your prayers be with us, that this year be of victory for the body of Christ.
