Gig Harbor Nazarene

Organized 1993

This has been one of the most difficult years this congregation has endured. We would like to thank and bless the congregations which responded to our grief. Specifically, the Pastor David Rodes and the congregation at Puyallup brought hope and encouragement. Pastor John Berggren and the congregation of Auburn made a special contribution. Pastor Dave Ness arrived to help us through a tumultuous time and brought healing and love to all who needed a sense of the presence of the Lord.

Through the prayers of the district family and contributions from the many burden bearers across the district our church was strengthened and has even experienced growth. There is a sense of excitement about what God is going to do in our church and city. We are indebted to the community of believers for the prayer and support that has resulted in unity, peace, and victory in the midst of the storm. God desires that we will bear fruit to His glorious Name and that it will remain. We are looking forward with anticipation to the future.
