Lynnwood Nazarene

Organized 1968

This past year has been an amazing God-guided adventure in Lynnwood. We have baptized nearly 20 people and had 12 people raise their hands to accept Christ just on Easter Sunday. Our impact and reach into our community is rapidly increasing. Our 4th of July carnival and Trunk or Treat Event saw many new families visit our campus.

The highlight of our outreach events has to be our Easter "Eggsperience". During a two hour window of time 650 people were at our church, getting to see what we are all about and our focus on taking care of kids and families.

God continues to guide. We have every reason to believe that this next year we will continue to see God draw people to Himself and maturing them into Christ like believers here in Lynnwood.
