This is my first report for your brothers and sisters in Port Angeles; and since we have only been here for a little more than 2 months, I really am reporting for Lyle Bozarth and the church leadership. Over this past year God has greatly used Lyle as their pastor. Through his ministry they have demonstrated spiritual growth and are continuing to grow in their unity and serving one another in the Body.

They have experienced God's blessing financially as God has more than provided for their needs and has even allowed them to substantially share with others, both locally and abroad.

They have seen an increase in those who consistently gather together for worship and Bible study and they have a heart to reach out to their friends and neighbors. The church has been led from within by caring servant leaders who are committed as God's stewards and who still are excited to have a place of service.

We feel challenged to serve God as their "next pastor" and to discover together what God has in store for all of us over this coming year.
