Organized 1954

As we look back on 2007, it was a challenging yet exciting year for us all. We had many first-time visitors who all had a positive impression of their experience here. We are reminded that some plant, others water and yet still others will reap the harvest. We who do God's work do not labor in vain. His Word isn't spoken in vain.

**Prayer Needs:**

1. For new souls won to Christ.
2. For our family and future as pastors.
