Redwood Family continues to be mission-focused and healthy as a local church.

Highlights of the church year just completed include:

- j Hiring of a part-time pastor of music and worship.
- j Cosmetic interior building upgrade.
- j Special emphasis on social justice, both locally and internationally.
- j Focus on relationship-building ministry at all levels.

RFC continues to seek ways to connect with our community through relationship evangelism and creative touch points. We thank God for a good year and look with hope to the one upcoming.
