Seattle Beacon Hill Nazarene

Organized 1983

This is my first annual report for Beacon Hill and I want to take this opportunity to thank my congregation for the opportunity to serve as their pastor since June of 2007. I praise God for them and for the spiritual gifts He has given to each of them for the purpose of building up our local church and reaching the lost around us.

I want to highlight several areas in which God has blessed us:

- & Worship attendance has averaged 50 (last 6 months)
- & Sunday School attendance has averaged 31 (last 6 months)
- & 9 new members
- & Income from tithes and offerings has exceeded expenses by \$1,580.91
- & We had a BBQ to outreach to community we must continue to be creative in how we outreach to the community
- & We did the 12 week DVD series called "The Truth Project" with as high as 24 in attendance
- & Facility improvements included basement door replaced, and major heater repair, not to mention the things individuals have done to improve the church building. They have all been blessings.
- & Our prayer meeting has been the highlight of the year. Prayers are being answered: like people having peace in their work places, a girl getting enough money to go to India for missions, a man being set free from prison, a lady in the hospital being healed in a weeks time of a serious back infection, God providing the means to fix a wrecked car and the mentally disabled having sound mind. These are just a few of the examples of what God is doing in our congregation.

The people of Beacon Hill have supported the church in prayer, finances and service. May God continue guiding and blessing us as we seek Him!
