I thank the Lord that the goals we had last year as a congregation were achieved. We keep working in small groups to evangelism the Beacon Hill area from door to door and also in the streets and businesses with the message of holiness. Our main goal is to pray for the souls for salvation, and we have every week prayer meetings with all the congregation; and we believe that this year will see a great harvest for the glory of our Lord.

Prayer Needs:

1. For the evangelism of Beacon Hill.
2. Spiritual and membership growth.
