Greetings, our vision for this new year is to work in small group cells for the evangelism of the greater Seattle area. We also want to establish visits through the week to each member's home to pray and minister to their needs, not only those that are part of the congregation but also believing the Lord that will be new doors opening for us, because we trust the Lord. Also, we want to establish a new program for evangelism called The 5 STEPS TO THE MEMBERSHIP OF THE CHURCH.

Thanks for your prayers.
