**Stanwood-Camano Living Hope Nazarene**

Organized 2006

We have experienced God as Jehovah Jireh, our provider in the following ways:

This year has been a year of growth. We had to develop a youth group for the teens that started coming to the church this summer. These teens were unchurched. Two got saved and two rededicated their lives to the Lord. We now meet on Wednesday nights in a Bible Study/Sunday School. Three of these teens were baptized at the sports club after church and then we had a swimming party. As many as 10 teens have come to our church services at one time but there are more that come off and on to youth group and church.

In Sunday School we have been learning how to lead someone to the Lord and how to take them through a basic Bible study. We are getting prepared for the harvest.

We had to develop a nursery because three children, all age two, have been bringing their parents to church. Aurora Church of the Nazarene adopted us for Christmas and supplied us with needed nursery supplies, curriculum for the youth and music for worship. God bless them for blessing us.

Our ministry through Good News Club has seen four kids receive salvation. God has raised up a teacher and a helper to teach this Good News Club and the plan is to start a new GNC in another Elementary school next year.

By faith, we paid our budgets when it looked like we didn't have enough income. Then soon after we sought the Lord on this matter, the county, who owns the building that we rent for church services, told me over the phone that they wanted to cut our rent almost in half. It was just the right amount to make up the difference. Praise the Lord!

God continues to bring new people to our church and we are looking forward to see what the Lord has for us in the year to come.
