This month starts my third year as pastor of Van Zandt. What started as a fill-in for two or three weeks has turned into a rewarding ministry to me. I want to thank my congregation for allowing me to be their pastor. It is extremely rewarding when they talk to me about how God is working in their lives. It is good to see that God is still on the throne and working in the lives of people who will turn to Him.

The following are some of the things we have completed this year. We paid all budgets in full, replaced the foundation on the back end of the church, built our cash reserves to replace the roof on the fellowship room and the back of the church. God has blessed us with the finances to run the operations of the church.

We face new days ahead as the challenges of life change the makeup of our congregation. We want to remember that God placed us here so that He can impact our community. Pray that we will be steadfast listening to His guidance.
