Organized 2006

What a year! I asked the Lord to double our numbers from last year. That has not happened but our enthusiasm and our spirit to serve sure has doubled. PTL! Do I dare ask to double again? What will be the results: numbers or more involvement?

Why not . The Lord is GOOD!

Our Wednesday night gathering has been awesome. We have definitely grown in number. Last year we had 8-10 people attending, these past couple of months we have been running closer to 20. Our Sunday morning worship attendance has been approaching the 40 mark. Maybe 'awesome' is an over used word, but it sure applies here.

We have outgrown our present room at the Yelm Adult Community Center and hopefully we will be moving to the bigger one at the other end of the building. Then we will have access to twice as much room.

A big grocery store has moved out of Yelm and some of our people are eyeing that facility. WOW.

**PRAYER NEEDS:**

1. At the beginning of the year we had one Sunday school class and one teacher. Now we have two classes and five teachers. I want to see FIVE more.
2. Pray that the Lord will continue to fill us with His Spirit, His desires and His fire!
