Praise the Lord! The work in Monroe is alive and well. Our church identified short-term goals early in the church year, and we made progress toward all the goals. Our giving increased. We refinanced the loan on our newly purchased property. Our prayer emphases increased. Our membership increased. Our participation in meeting community needs increased. We grew spiritually. We made positive changes.

Of course, we had our ups and downs, but we grew even closer together as a church. We still face the challenge of meeting in an old building with facility use issues, but our vision is clear. We look forward to the development of new lay leadership in this year to come.

Please pray for us as we seek to give priority to our children and teens. We claim the promises of God, because it is not our work that we do, but His work.
