## Mission Convention

April 6 - 7PM · April 7 - 9am-3pm

Puyallup Church of the Nazarene

Pastor Adalberto Herrera — House of Prayer - Cali, Columbia  
God is moving in amazing ways in Columbia!

God opens the windows of heaven when His people pray for their city.

Pastor Herrera's story: Disturbed by the ungodly drug activity in the city of Cali, Colombia, where up to 15 people a day were murdered by drug lords, pastors began to meet together to cry out to God for His intervention. Then they called their congregations to an all-night prayer vigil in which more than 20,000 believers showed up. Two days after the event, newspaper headlines read that no homicides had taken place the previous 24 hours~the first time that had happened in recent memory.

God longs to move in amazing ways here on the Washington Pacific District. You will be encouraged by hearing Pastor Herrera's testimony and reports from across the district! *Come join us!*
